

# 2024 **HYBRID** OPTION FOR ASSOCIATIONS

## **HOW WE ARE PUSHING ONLINE EDUCATION**

### **What's Happening?**

---

The State of Oregon has so many communities scattered throughout Central Oregon, and we know they need education too! CORC is introducing a Hybrid Option for community associations and managers that reside outside of the Bend metro area to attend our educational events.

### **When is it available?**

---

Starting in 2024 CORC will have a zoom link for registered online attendees to join the educational session and our ask an attorney event! Our first event of the year, Ask an Attorney is on January 18th at 5:30pm.

Sign up here! <https://caicentraloregon.org/events.html>

### **Benefits**

---

Education brought straight to your home! Our hybrid education model will give communities the ability to stay informed on relevant industry topics and get resources that can contribute to a community's future sustainability! Associations will also have the ability to network with other communities and members.

### **Questions?**

---

You don't have to be a member of CAI to join in on the Hybrid education option. Feel free to reach out to our CED Heather with any questions regarding this new opportunity.
